ABOUT ME

I am Neha Gelada, a recent graduate with a Bachelor's degree in Computer Applications (BCA) from Gujarat University. I have recently enrolled in a Full Stack Development course to enhance my technical skills and gain hands-on experience in modern web development technologies. I am passionate about building user-friendly applications and continuously learning to stay updated with the latest trends in the tech industry. With a solid foundation in programming and a proactive mindset, I am eager to contribute to dynamic development teams and grow as a professional software developer.
